Five little ducks page 29

Five little ducks
Are swimming one day,
Over the pond and far away.
Mother duck says,
"Quack, quack, quack, quack."
But only four little ducks come back.

Four little ducks ...
But only three little ducks come back.

Three little ducks ...
But only two little ducks come back.

Two little ducks ...
But only one little duck comes back.

One little duck
Is swimming one day,
But none of the five little ducks come back.

Sad mother duck
Is swimming one day,
Over the pond and far away.
Sad mother duck says,
"Quack, quack, quack."
And all of the five little ducks come back.

Row, row, row your boat page 55
